

## HOW TO Access Data Tables for All Areas

Access Data Tables for all areas from “Data, Charts and Maps” tab.

Data, Charts and Maps page

1. Select Data, Charts and Maps tab

2. Select scale of data

The screenshot shows the OCHPP website interface. The navigation menu includes Home, About Us, Data, Charts and Maps (highlighted), Resources, and Related Projects. The main content area is titled "Data — Neighbourhoods in City of Toronto" and features several tabs: "Data, Charts and Maps" (selected), "Create Custom Geography", "Interactive Maps", and "Data Archives". Below these tabs, there are instructions: "Select the Data Topic Category and Year for which you would like to download Data table (EXCEL format), Bar Charts and Maps (PDF format)." and three sub-tabs: "Locations and Geographic Boundaries Maps", "How to Read the Maps", and "About the Data".
